APPENDIX D

QUESTIONNAIRE

Please write your name here: _____

(I need to know your name to match records for my research. Your instructor will NOT use this information in any way.)

Recently, you helped with my research project. You took a test, worked a lesson on computer, and then took a second test. First, I would like to thank you very much for your help, which has been very valuable to me. Next, I hope that you will be willing to answer some questions about your experience with this lesson.

--Vance Stevens

Here are the questions. For each group of answers, circle the number beside the one that is correct or that you agree with. ---

(1) Before you worked this lesson, how many times had you used a computer before?

1. never 2. one time 3. two times 4. several times
5. many times

(2) What did you think BEFORE you worked the lesson?

1. I did NOT want to use the computer.
2. I wanted to try the computer, but I was a little worried about it.
3. I didn't worry about using the computer, but I wasn't excited about it either.
4. I wanted to use the computer very much.

(3) What did you think AFTER you worked the lesson?

1. I did NOT like using the computer.
2. I liked the computer a little, but I was not comfortable using it.
3. It wasn't great, but it wasn't bad either.
4. I liked using the computer very much.

(4) Did you have enough time to work the lesson?

1. There was not enough time.
I needed more time to finish the lesson.

2. There was not enough time.
I finished the lesson, but I wanted to work some more.
3. The time for working the lesson was just right.
4. There was too much time.
But I didn't mind beginning the lesson again.
5. There was too much time.
I finished the lesson and was ready to leave before the time was over.

Half of you worked the lesson using GAME PADDLES, and half of you worked the lesson WITHOUT game paddles. Other than this, the lessons were exactly the same.

(5) Did you like YOUR lesson, or did you wish you had the other kind?

1. I worked the lesson WITH game paddles.
And I liked that lesson best.
2. I worked the lesson WITHOUT game paddles.
And I liked that lesson best.
3. I worked the lesson WITH game paddles.
But I really wanted to work the other one.
4. I worked the lesson WITHOUT game paddles.
But I really wanted to work the other one.

(6) What did you think about the instructions for the lesson?

1. The instructions were very complicated.
I didn't understand them.
2. The instructions were a little complicated.
They were NOT necessary.
3. The instructions were a little complicated.
But they were necessary.
4. The instructions were just right.
5. There were not enough instructions.

(7) What was your overall feeling about the computer?

1. This was a very interesting and POSITIVE experience for me.
2. This was a mildly (slightly) interesting experience.
But it was NOT a waste of time.
3. This was NOT a very interesting experience.
And it was a waste of time.
4. This was a frustrating and NEGATIVE experience for me.
5. Using the computer was not so interesting,
But it wasn't bad either.

(8) What did you learn?

1. I think I learned A LOT about English by using the computer.
2. I think I learned SOMETHING about English, but not much.
3. I did NOT learn anything about English, but I understood the lesson.
4. The computer confused me.
I had NO IDEA what the lesson was about.

(9) Comment on the TESTS you took before and after the computer lesson.

1. I did NOT understand ANY of the sentences on the tests.
2. I did NOT understand MANY of the sentences on the tests.
3. I understood about HALF the sentences on the tests.
4. I understood MOST of the sentences on the tests.
5. I understood ALL of the sentences on the tests.

(10) Circle either "1" or "2", depending on what is true for you. If neither is true for you, circle "3".

-a-

1. I wanted to work alone,
but the experimenter kept telling me what to do.
2. I felt I was in control of my learning,
and that I could work at my own speed.
3. Neither of the above applies to me.

-b-

1. I could NOT really understand the vocabulary
in the computer lesson.
2. The vocabulary on the computer was NO PROBLEM for me.
3. Neither of the above applies to me.

-c-

1. There was TOO MUCH to read in the lesson.
2. The instructions were EASY to read and to follow.
3. Neither of the above is correct.

-d-

1. In general, I was NOT SURE what I was supposed to
do next.
2. In general, it was EASY to understand what to do next.
3. Neither of the above applies to me.

-e-

1. There was too much NOISE and activity in the computer room.
2. It was EASY to concentrate (think hard) in the computer room.
3. Neither of the above is really correct.

-f-

1. It was NOT EASY to go from one part of the lesson to another.
2. It was EASY to go from one part of the lesson to another.
3. Neither of the above is true.

-g-

1. I did NOT LIKE using the game paddles.
2. I LIKED using the game paddles.
3. I didn't work the lesson with game paddles.

(11) Please circle "1" or "2" below.

-a-

Max stopped knocking on the door. Which did he do first?

1. stop? or 2. knock?

-b-

Max remembered to lock the door. Which did he do first?

1. remember? or 2. lock the door?

-c-

Max forgot going to the party. Did Max go to the party?

1. yes 2. no
