This list is open to anyone who'd like to participate in FLNW4 either f2f or online. We are thinking of a core group (CG) which will do the whole trip together and people who'd join in at different moments as in NZ (T=Temporary). We are also planning to invite people from other networks to join, if that is OK with you.

Please indicate where you are coming from, if you need or have a source of sponsorship already, whether you'd like to be part of the core group (CG) , would join in the course of the event (T- temporary - give dates) or participate online (O) so we know how to organize events/transport/ lodging/catering.

Hi Alex,

The two young people I contacted to help me establish contact with local nodes are a bit overwhelmed by the task. On my part, it's not easy to contact sponsors when you are not an institution.
