CALL IS Electronic Village Online Communities

Colloquium at the TESOL Convention, Seattle, WA

March 21st 2007

Time: 8:30AM - 10:15AM

Chat Log at WebheadsInAction.org

This colloquium introduces several Electronic Village Online session leaders and some of the Coordination Team, who discuss their participation in this free, wholly online venture involving more than 1,500 global participants annually. Presenters talk about the challenges they faced and how they create viable communities in a virtual environment.

Convener: Elizabeth Hanson-Smith

On site: Washington State Convention Center/Room304 Hall C

Note: You may follow the text chat and listen in during the live presentation through links at [WiA at Worldbridges](http://WiA.atWorldbridges) . To ask questions by audio or text, check the [Listening Guide](#) for Worldbridges to find out how to use the voice and text chat.

An archive of the text and voice chat and links to slide presentations will be available after the convention at:

We are missing a few bios here!

I'd like to have a full bio on the "Meet the Presenters" page and then maybe just your name and institution on the first page that will link to your presentation.

Can someone give advice--is it better to put up images of PPT slides, or to mount the slide elsewhere and just link from this wiki?

If we have a stable connection, either should work OK.

Cheers--
